## MOORE JOINS AMP AS VICE PRESIDENT OF FINANCE

**COLUMBUS:** American Municipal Power, Inc. (AMP) is pleased to announce that Linda Moore joined its management staff on Sept. 23 as vice president of finance. In this position, she will be responsible for AMP's internal and external financial reporting.

Moore has more than 20 years of experience in the finance field. Prior to AMP, she was the assistant controller for NiSource Inc., and previously worked for Wind Energy Transmission Texas, American Electric Power Corp. (spending six years at Appalachian Power), and Deloitte & Touche.

Moore holds bachelor's degrees from the Ohio State University, completed the AEP/OSU Executive Leadership Program and is a certified public accountant.

"Linda's background and experience, particularly in the energy industry, will be a tremendous benefit to AMP and its members," said AMP Senior Vice President of Finance & CFO Marcy Steckman. "She is a results-focused and accomplished professional with a track record of diversified success."

**ABOUT AMP:**

American Municipal Power, Inc. is the nonprofit wholesale power supplier and services provider for 135 member municipal electric systems in the states of Ohio, Pennsylvania, Michigan, Virginia, Kentucky, West Virginia, Indiana, Maryland and Delaware. Combined, these public utilities serve more than 650,000 customers. AMP members receive their power supply from a diversified resource mix that includes wholesale power purchases through AMP and the open market and energy produced at AMP and member-owned generating facilities utilizing fossil fuel, hydroelectric, wind and other renewable resources. The organization is focused on sustainability and increased use of renewable generation resources. AMP currently has four run-of-the-river hydroelectric projects under construction on the Ohio River. Combined these four projects will add more than 300 MW of new hydro capacity to the region. AMP is pursuing additional hydro, solar, wind and landfill gas projects. For additional information, visit AMP's website at [www.amppartners.org](http://www.amppartners.org).
